The first night, we will invite 3 couples to the stage to participate in the ever so popular Not-So-Newlywed game. On the second day we will start the day with a good warm country breakfast. After breakfast we will have an inspirational chapel service with a powerful message and touching music. Later on this day we will have more great music and lots of fun activities. Also on this night before the concert, we will have a barbeque dinner by the best dining room staff in the country, your performing artists. You will enjoy shredded barbeque, potato salad, coleslaw, baked beans and a very delicious dessert. On the last day in the afternoon you will be served an elegant traditional candlelit Christmas dinner served with turkey, ham and all the trimmings.

We will be staying at the Mainstay Suites of Pigeon Forge. Mainstay is a luxurious, modern upscale hotel with elegant furnishings and a feeling of home. The motel is located just 2 blocks from the main tourist district of town. Each room at Mainstay is a suite, complete with a full kitchen. Also on the property is an indoor swimming pool and fitness room.
